2014 National Doctors of Nursing Practice Conference

The DNP in Practice: The Health, the Care, and the Cost

Conference Objectives:

1. Describe how the DNP prepared nurse can contribute to improving the health of populations.
2. Identify how the DNP prepared nurse impacts health care in relation to improving the patient experience of care, including quality and satisfaction.
3. Identify the impact of the DNP prepared nurse in entrepreneurial efforts that reflect cost effective healthcare outcomes.
4. Discuss innovative roles of the DNP prepared nurse that impact the Triple Aim (The Health, the Care, and the Cost.)

Abstract Submission Requirements

(Headings and requirements are included to help you prepare your abstract.)

Presentation Type: Podium, Poster, Podium OR Poster, Panel, Pre-Conference Workshop
(select the one for which you wish to be considered)

Presentation Category: Policy, Practice, or Administration (select one)

Abstract Title: Please state the title of your abstract. If your presentation is selected, this is the title that will be displayed on the web site and in the conference program.
